

SUMMER READING  
2020

# WIZARD TRAINING

**Complete at least one of the activities listed below to get your Science & Technology badge**

---

-  **Participate in a Citizen Science Project. Here are just a few you could try:**
  - [Blue Thumb “Stream Protection Through Education”](#)
  - [Mission Monarch Butterfly](#)
  - [Balloon Breakdown study of how latex balloons decompose](#)
-  **Download a stargazing app and see what the cosmos look like from where you are.**
  - Both [Sky-View Lite](#) and [Night Sky](#) are good, free apps available from your app store.
-  **Prove that you’re never too old to learn something new. Enroll in a free, online science course.**
  - Try [Quantum Mechanics for Everyone](#), [Climate Change: The Science](#), or [COVID-19: Pandemics, Modelling, and Policy](#)
  - Complete an Hour of Code with [Khan Academy](#)
-  **Read a science-y book:**
  - Check out a non-fiction book about science
  - Read a work of science fiction

---

**When you’re done with the challenge, fill out this [Google form](#) to get your secret code.**

**Enter the secret code in [BookPoints](#) to get your badge and win your prize.**

(All prizes can be picked up at the library after July 31)
